Dear Parents

Wishing very good luck to you and your family. May you all be showered with love and happiness.

We are happy to announce that it is almost Christmas. The object of this Christmas event is to develop multicultural literacy by improving students understanding of Christmas. We kindly urge you to read this letter carefully.

Christmas is a time of giving and sharing with those around us, but that sharing is not limited to those that we love and care for. It is also for the person that we have never met and will never see; those that are not so fortunate in their lives as we are and that could use a helping hand. Therefore, the event will include a Christmas Charity Drive where students are able to donate and **Flood Victims in Central Vietnam.**

Donations will be given to the **Sống Foundation** (<https://song.org.vn/>). These organizations help build more durable and sustainable homes for people living in areas in danger of flooding. They agreed to take everything we donate and give it to the victims of the flooding!

The event will take place from the 7th to the 24th of December. It will not be one big event, instead it will be divided into many mini-activities. Each ESL class will have its own mini-activities. As you are aware, Covid-19 has resurfaced, therefore the aim of doing this is to move away from big gatherings of students. We gently urge you to encourage your children to participate to the best of their abilities and with positive attitudes.
